愉快學習之旅 - 加拿大遊學團

2019 Canada English and Culture Summer Camp

領隊老師的話 尹子雯副校長

這是我第二次帶領加拿大遊學團,是次活動有六位四年級學生及兩位五年級學生參與。他們在每次的預備班都很認真及留心地聽講, 學習餐桌禮儀、貨幣運用、日常交談及如何面對文化差異等等。很感謝 家長們也配合校方的要求,為他們的子女打點行裝,令旅程暢順。

到埗後,同學們分組配對入住不同的住宿家庭。他們學習如何照顧自己及關顧同學,並與住宿家庭相處,體驗當地居民的生活習慣,感受不同的文化。在平日,他們須回校上課。在大學校園內,他們感受不一樣的學習氣氛,在課堂中認識加拿大的地理和文化,也要做專題研習和演講,獲益良多。此外,他們也參觀當地的博物館、公園、動物園及市集。令他們印象深刻的活動,有攀石活動、到郊外划獨木舟、到水上樂園及採摘車厘子等。

我看到各位同學很認真學習,甚至努力改善自己的陋習;他們不但 更喜歡英文這世界語言,而且也明白到父母對他們的愛而懂得感恩,真 是深感欣慰。祝願各位同學學業進步,朋輩和睦,孝順父母。

出發了

家長心聲

譚芷晴祖母

我的孫女今年有幸參加「<u>加拿大</u>學習之旅」,心情十分高興。在送行那天,很多家長都懷着複雜的心情目送孩子們登機,一邊為小孩將會展開的旅程感到興奮,一邊卻又擔心他們能否應付接下來兩星期的挑戰。

到達目的地後,孩子每天都會傳來相片和短訊,分享他們的經歷。另外,領隊老師也每天傳來上課及玩樂的相片,好讓我們了解他們上課的情況、居住的環境和接觸到的人和事,這都能令我們放下心頭疑慮。

整個旅程中,我看到孩子能與當地人溝通及學習他們的生活方式,在當地學校上課的情況和出外活動的片段,深感欣慰。回港後,他們都表示平日在學校所學的英語,能幫助他們在外地與人溝通。經此學習之旅後,孫女變得更成熟,更懂得體諒他人,並能勇敢和主動提出自己的觀點及解決問題,變得更有自信。

這次遊學團為她的成長添上了一幅美麗的圖畫。

到樹林考察

到Big Little Science Centre學習

學生心聲

What an awesome trip!

4E Vinci Chan

Before going to Canada, we had a series of lessons about the nation at recess. We learnt interesting facts about daily conversation, proper Western manners, the Canadian currency and so on.

My most unforgettable and happiest moment was attending lessons at Thomson River University. Meeting new people may be scary for some of my friends but I feel like it opens my mind to a bigger world.

I would like to thank my family for spending so much money to let me go to Canada. I also want to thank all the teachers who organised this trip and prepared us to face the challenges. I really liked this school trip and I hope students in the future will appreciate the precious time as much as I did. Miss Van, thank you once again for taking good care of us there.

I could not wait to go on this study tour because it was my first time travelling by myself. It took 12 hours to fly there. I was very excited to meet my homestay family. They lived on a farm in a gigantic house. I liked playing with their two cats and bouncing on the trampoline in the backyard.

My teachers Miss Lisa and Miss Natalie gave us lessons in the university. They were super kind and taught us a lot of things about Canada. I liked playing BINGO a lot. Besides, we went on really fun outings such as rock climbing, visiting the city, the museum, the water slides and picking cherries. What I remember most was going to the North Barriere Lake. It was great fun kayaking on the beautiful lake with fish jumping out of the water. Then we went on a nature walk in the forest to see the wonderful plants and insects.

Now I know more about Canada. I wish I could go to Ontario or Yukon one day.
